An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. John McGarry on 10-3-06.

The application has been amended as follows:

CANCEL claims 1-7.

The following is an examiner's statement of reasons for allowance: none of the prior art of record including the Michael and Giuffredi references which pertain to aerosol assembling and the Hansen reference which pertains to a dual aerosol container dispenser, alone or in combination, teach Applicant's invention of a process for orientating adjacent aerosol containers comprising the steps of marking each container with a visual indicia and rotating the containers until the visual indicia is within a predetermined oriented relationship, as claimed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
